

Wall Plates

Colorado Time Systems has a variety of wall plates to meet the needs of various pool layouts, up to 12 lanes.

Shown: Dual Timing/Diving Wall Plate

Options include:

- Basic Timing (Model WLP-T)
- Diving Only (Model WLP-D)
- Timing/Diving (Model WLP-TD)
- Dual Timing/Diving (Model WLP-TTD)
- Triple Timing/Diving (Model WLP-TTTD)

Wall plates are standard 15 x 15 x .25 inch (38.1 x 38.1 x .64 cm) black polycarbonate panels. They come complete with all wiring and terminal connections required.
